New user with temporary password

1. Click on the application link provided in the welcome email.
2. Login to the application by providing username and your temporary password (given in the welcome email) and click on Sign In.

A screenshot of a web application's sign-in page. At the top, there is a black header with the text "Sign In" in white. Below the header, the text "Please enter your username & password" is displayed. There are two input fields: "Username" and "Password". The "Username" field contains a single character "i". Below the input fields, there is the Zebra logo on the left, followed by two yellow buttons labeled "Register" and "Sign In". Underneath the buttons, there are four links: "Forgot your username?", "Don't know your password?", "Need to change your password?", and "Need additional password assistance?".

3. Input your temporary password (given in the welcome email), choose a new password, re-enter your new password, select your security questions and answer them (these security question will be handy when you want to reset your password) and click 'Submit'.
